

New Card Readers at ATMs

Process Improvement

We've just installed brand new "DIP" card readers in all of our Achieva ATMs. These took the place of the original "Insert Your Card" slots. **Now, you will have to "Insert and Remove" your card** to continue with your transaction. When using this new card reader, you will never leave your card behind!

Home Banking Downtime

Our phone system, MoneyLine, Home Banking, and Online Bill Pay will be **unavailable from Saturday, July 3rd at 1pm through Tuesday, July 6th at 9am** while we complete the final conversion of Sarasota Coastal Credit Union's systems into ours. ATM's will still be available for account transactions during this weekend. We look forward to serving you Tuesday morning when we open for business as usual.

A Change to Emerald Checking

18 Transactions Needed

Effective July 1, 2010, in order to earn high-yield interest on your Emerald Checking Account, you will have to meet two easy requirements:

- 1) You must sign-up for and keep monthly e-Statements active (**no change**)
- 2) Have at least **18** posted signature-based qualified transactions per statement cycle using your debit MasterCard® or Achieva VISA® Credit Card, or a combination of both cards.*

(increased qualified transactions from 12 to 18)

*Certain restrictions apply. For details, call (727) 431-7680, or visit www.AchievaCU.com.

Safety First

Traveling Abroad?

If you are planning a trip outside the U.S. this summer, it's always a good idea to let us know, so we can "flag" your account. This enables us to monitor the account to make sure that any transactions made in another country are processed without any problem. We also suggest that you always take more than one method of payment such as a second credit or debit card AND pre-paid VISA® gift cards. **Enjoy your trip!**
